RAY CHONG

ABOUT ME

Environmental-conscious designer with experience in various aspects of the construction industry.

Being exposed and involved in the vital design elements of architecture, interior and also exterior (landscape) in the industry has given on much enlightenment on what's important in terms of creating a good design. Having the ability, knowledge and actual-know-how allows the design and production process to be concise.

Seeking to expand horizons by re-engaging with the industry & applying valuable experience and knowledge gained from diverse perspectives.

WORK EXPERIENCES

FREELANCE LANDSCAPE ARCHITECT (February 2022 - September 2024)

Akitree Design Sdn. Bhd.

Provided advice in producing accurate detailed drawings with precise specifications for tender documentation. Worked with consultants, client, and local authority on submission procedures and regulatory compliance. Assisted in value-engineering exercise and advised on bills of quantities' details to ensure accurate project costing.

FREELANCE ARBORIST (December 2021 - April 2024)

Eclipse Green Sdn. Bhd.

Performed tree risk assessment on high risk matured trees. Analyzed the potential of tree failure in relation to the context and its factors. Managed to document, examine and illustrate 200 matured tree roots in one month time.

LANDSCAPE ARCHITECT (July 2015 - October 2020)

Praxcis Design Sdn. Bhd.

- Managed 3 notable award winning landscape architecture projects.
- Involvement in prestigious projects involving famous architects such as Kengo Kuma and SCDA.
- Proven ability in preparing landscape & soft landscape design, landscape detailing, presentation, proposals, tender, and contracts.
- Entrusted for literature/conceptual writing on design concepts and storyline.
- Coordinated with clients and other project related consultants, including liaised with local governing authorities.
- Capable of taking over projects at many different stages from others with ease.

ASSISTANT ARCHITECT (December 2013 - June 2014)

DP Architects Sdn. Bhd.

Conceptualized and presented design proposals. Interpreted design concepts and translating them into workable solutions. Prepared tender drawings and material specifications. Assisted and supported architects in executing multiple architectural projects.

INTERIOR DESIGNER - INTERN (January 2013 - March 2013)

MAA Space Sdn. Bhd.

Assisting conceptual designs. Conducted site visits for site measurements. Providing architectural advices.
